“Ivanhoe Creek Property: Update on Kent Exploration Financing”

Senator Minerals Inc (“Senator” or “the Company”) reports that Kent Exploration Inc (“Kent”), the optionee of Senator’s Ivanhoe Creek property, has advised the Company that it has signed an agency agreement with Blackmont Capital (“Blackmont”).

Effective 10 April 2006, Blackmont has been appointed as Kent’s sole and exclusive agent to raise between \$1,250,000 and \$1,850,000 through an Initial Public Offering (IPO) at \$0.20 per common share.

The minimum proceeds from the Kent IPO are intended to fund the recommended exploration program on the Ivanhoe Creek property and to meet the TSX Venture Exchange’s working capital listing requirements.

Senator has granted an option to Kent to earn a 50% interest in the Ivanhoe Creek property, a Midas-style gold-silver target located just north of Great Basin Gold/Hecla’s Ivanhoe Hollister deposit, which is currently under development in Elko County, Nevada.

Senator holds warrants convertible into 1,250,000 common shares of Kent.
