“Senator now listed on the Frankfurt Stock Exchange”

Senator Minerals Inc (the “Company”) announces that it is now listed on the Frankfurt Stock Exchange with the symbol ‘**T1K**’ and German Cusip number 172943.

With a total turnover of € 5.2 Trillion per year, the Frankfurt Stock Exchange is the world's 3rd largest organized exchange-trading market and the world's 6th largest by market capitalization.

This listing is intended as a step towards increasing awareness of Senator and its projects among European investors, thereby enhancing the Company’s ability to raise capital.

+++++

Senator Minerals Inc is a TSX-V-listed junior exploration company with a diverse portfolio of property interests in North America and Australia.

In addition to its earn-in option for a 50% interest in the Hill End gold project in New South Wales, Australia, Senator has 100% lease option interests in five highly prospective Midas-style targets in the Northern Nevada Rifts area, a 100% interest in two prospects in Nevada’s Cortez Hills area, and a 100% interest in the Taurus copper-moly deposit in southeastern Alaska.

Senator also holds 1% NSR’s on the Rosebud gold-silver prospect in northwestern Arizona and both the Okey and Key high grade copper prospects in northeastern British Columbia.
