Senator Minerals Inc ("Senator" or "the Company") reports that it is arranging a non-brokered private placement of up to 2,000,000 units, priced at \$0.18 per unit, for gross proceeds of \$360,000. Finders fees may be payable on a portion of the private placement in accordance with the policies of the TSX-Venture Exchange ("TSX-V").

The gross proceeds from the sale of the up to 2,000,000 units will be \$360,000, which is intended to be used for corporate administration and working capital, for maintenance of mineral exploration properties, and for due diligence related to the acquisition of mineral properties.

The private placement will close when final documentation is accepted for filing by the TSX-V.
